Important notice on lithium ion battery

1)Charge the battery only with original Unitech power adaptor supplied in the box
2)Do not store the device with battery installed for long period of time
3)If long period storage is required, remove battery from device.
4) During long storage period, maintenance work is required at every 3 months period. During maintenance, discharge the battery completely, and then charge to 60% - 70% (or 3.8V - 3.9V).
5) Store battery in dry, cool environment. Temperature should be -20 to 40 degree Celsius and relative humidity should be 45% to 85%
6) Charge battery at 5 to 45 degree Celsius
7) Do not operate the device outside the recommended temperature, which is from -20 to 60.
8) Do not install a third party battery into Urovo device

Safety precaution

1)Do not transport the battery at temperature higher than 65 degree Celsius
2)Do not expose battery to fire or heat source
3)Do not forcefully install the battery in opposite direction into the device
4)Avoid impact and high vibration force on the battery
5)Keep battery dry at all time
6)Do not use battery that is damaged or appear to have been modified
7)Do not use unauthorized power adaptor to charge the battery
8)Do not discharge the battery beyond the specification of the battery
9)Do not place battery into microwave oven or pressured container
10)Do not damage battery with sharp objects
11)Do not operate in environment with extreme electrostatic fields or magnetic fields.
12)If leakage found in battery, avoid contact with body parts. Should leakage be in contact with body parts, flush with water and immediately seek medical attention
13)If battery exhibits unusual behavior like color change, temperature became hot, shape is swollen, remove battery from device and stop using that battery
14)If the contact point on the battery is dirty, clean with a dry cloth
15)Dispose the battery according local regulation. Recycle if possible.
16)Improper usage or storage may cause battery performance to drop, leak, damage, or even escalate to personal safety issue.
